Preferred Dates

While providing more than 1 preferred date is important, we will give you your first preferred date if possible. Where there is a date clash with another application or insufficient space between events, we'll discuss potential alternatives with you.

If you MUST have 1 date and one date only, please provide details including the reasons in the comments box. The more flexible you can be, the better the result for everyone.

Event Characteristics (for rallies only)

Our customer surveys have indicated that many competitors choose to enter events based on an event's characteristics rather than its status. To assist Rally NSW in promoting **your** event to competitors, please provide the following details to the best of your current knowledge.

We understand that these details are unlikely to have been finalised. Nevertheless, the more information you provide the better Rally NSW will be able to promote your event to your potential customers.

Total Competitive km - Full Event			
Competitive km - Short Event (if applicable)			
Event duration (days)	1	2	3
Number of planned daylight stages			
Number of planned night stages			
Nearest town to Rally HQ/Service Park			
Distance from Rally HQ/Service Park to nearest town			
Accommodation availability (approximate number of motel rooms and self-contained cabins within 20 minutes of Service Park)			
Is your event planned to allow self-servicing (ie no service crew required)			
Estimated entry fee – Full Event/Short Event (if applicable)			

To discuss options for your event, please call John Sparkes on 0428 910 025. Please submit completed form to rallypanel@rallynsw.com.au by 9th August 2025
